

9 March 2026

Dear Parent,

Tomorrow we will be heading to Marwell Zoo on our Year 1 trip and there are a few things to remember:

**Weather:**

There's no such thing as bad weather, but rather bad clothing. Please wear appropriate clothing for the visit, particularly warm and waterproof items. Children will be wearing their **school uniform** (including jumpers) but please remember to bring a **coat**. Currently it is forecast to be dry.

**Lunches:**

Marwell are unable to store lunches anywhere in the zoo, so make sure your child has a suitable bag (backpack) to carry their own lunch and a water bottle with them throughout the day. If you have requested a school lunch your child will still be required to carry it around the zoo, therefore you may wish to still provide a backpack. Every child will need a water bottle even if they are having a school lunch.

PIP Kind regards,  
Miss Kinally and Mrs Orson
