Headteacher - Tony Head

Dear Year 5 Parents and Carers,

Thank you to everyone who is supporting their child with reading at home five times a week and recording this in their reading record. Your support makes a real difference and is greatly appreciated.

We have recently noticed a decline in the number of children reading five times each week. We understand that family life is busy, but we would be grateful if you could prioritise this as part of your routine.

Reading is essential to your child's development and supports learning across the curriculum. Just 10–15 minutes each evening - listening to your child read, discussing the text, and signing the reading record - can have a significant impact.

Thank you for your continued support in helping every child develop strong reading skills.

Kind regards,

The Year 5 Team

'Pride, Passion, Success'
