Dear Parent

We recently invited applications for donation of used iPad devices.

We have determined allocation based on the criteria previously shared and will be distributing these shortly. There were more applications made than devices available and so some who made applications will not be receiving a device.

If your application has been successful, then we will be sending a letter with further details regarding collection home with your child.

If you do not receive this letter then, unfortunately, it will mean that you have been unsuccessful in your application.

If you would like to discuss this matter, then please do not hesitate to contact the school.

Yours sincerely

J. Leonard
