

21 April 2026

Headteacher - Tony Head

Dear Parents

Coding Workshop – Year 3

We would like to invite you to join us for a computing lesson in Year 3. The children will be learning about the coding language Scratch.

By attending this session, you will be able to see what the children have been learning in school and will have the opportunity to practise the skills alongside your child.

We will also share ways you can support your child at home if they would like to continue learning more coding skills.

Additionally, we will discuss ways to stay safe when using technology in school and at home.

The session will be on Tuesday 28 April 2026 and will be from 1:05pm–1:45pm for 3MR and from 1:50pm– 2:30pm for 3H.

Thank you for your support.

Yours sincerely

The Year 3 Team
