School Dinners on Census Day – Thursday 21 May 2026

Dear Parents,

We are writing to you because we need your help and support. The funding that the school receives for the year to provide 'Universal Free School Meals' for Reception, Year 1 and Year 2 is based upon how many children have a school dinner on one particular day.

Census Day for Key Stage 1 is Thursday 21 May 2026. On this day, children will enjoy an "Out of this World" themed menu featuring Loaded Margherita Pizza Rockets and Veggie Galaxy Pie, both served with Cosmic Slaw.

So that we are offering all children of the school the same opportunity, the catering team will be providing the same menu for children in Key Stage 2, who are either entitled to a free school meal or choose to purchase a school dinner.

Children should select their meal choice as usual via Arbor. If you have already selected for this day, please review the table below to ensure you are happy with the updated options:

Table with 3 columns: Meal choice showing on Arbor..., This will be replaced with..., and rows for Meat option and Veg option.

All other meal choices: jacket potato, tomato pasta, cheese roll and chicken tikka mayo roll will also be served on this day.

The rest of the week's menu (week 3) will remain the same.

It would be amazing if you and your children could support the school by having a school dinner on this day.

Thank you for your continued support.

Yours sincerely,
