Headteacher - Tony Head

Dear Parents and Carers,

We are excited to announce a **whole-school art competition** inspired by the artist **Jennifa Chowdhury**, whose work uses bright colours, repeating patterns, and geometric shapes to explore identity, culture, and belonging.

We are inviting every child to create their own piece of artwork at home, inspired by Jennifa's style. This is a wonderful opportunity for children to be creative, explore their own identity, and experiment with pattern, shape, and colour.

### The Challenge:

- Create a piece of artwork inspired by Jennifa Chowdhury
- Use patterns, shapes, symmetry, or colours in an imaginative way
- They may draw, paint, collage, or use digital tools — any medium is welcome

### Example artwork for inspiration

You may wish to show your child these examples to help spark ideas.

There will be **special prizes** for the most creative and thoughtful pieces, and selected artworks will be displayed in school.

Please ensure all entries are returned to school by: **Friday 5th June 2026**.

All artwork should be clearly labelled with your child's **name and class**.

Kind regards,

*K. Palmer*

Miss Palmer
