Dear Parents,

In Year 2 we are trying to earn our Citizenship Award. This is a special award that Year 2 work towards. As part of this award we complete three tasks. These are:

Headteacher - Tony Head

- **Hobby** – Children have chosen a new hobby (either bead work, collage, singing or making dreamcatchers) to complete for 4 weeks in school this half term. This is done as part of our normal school day. We will learn a new skill and the children are encouraged to be proud of their achievements.
- **Being helpful** – Children will be encouraged to learn to be helpful at home and at school. This will form part of their home learning (this will be sent home this week).
- **Event** – The children have decided that they would like to complete football matches to fundraise. Again, this will be done during the school day. We have set ourselves the challenge of completing them for a total of **2 hours over 4 weeks**.

The children have chosen to raise money for the **Southampton Hospitals Charity**. This charity works alongside the University Hospital Southampton to improve the care, comfort and experience for every patient.

We would greatly appreciate your support and sponsorship with this event. We have asked the children to collect sponsorship money (on the form at the back) and all money raised will be donated to the charity.

### Teacher Challenge

If the Giraffes and Eagles can work together to raise **£800**, you will get to soak Miss Byrne and Mrs Peacock on the last week of term.

Good luck!

### Parents:

Please return any sponsorship money you collect in a sealed envelope with the child's name on the front, by **Friday 10 July 2026**.

Thank you for your support!

The Year 2 Team

Please fill out the following form with your pledge amount.
