

# Year R Learning Journey

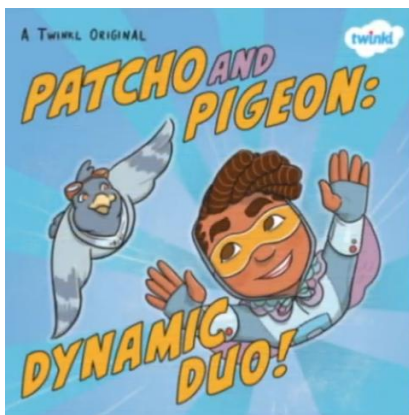

Week beginning: 15<sup>th</sup> June 2026

## Our work this week:

This week we will be learning the story "Patcho and Pigeon" all about superheroes. The children will be writing about the book and introducing their own ideas into their writing. In Maths we will be practising their number bonds to 10.

## Please remember

As the weather looks set to be warmer next week, please remember to send your child into school with a named hat and suncream applied.

## Home Challenge

The home challenge this week is to read or watch the story "Patcho and Pigeon".

The video is available here

[Patcho and Pigeon: Dynamic Duo! eBook | Read-Aloud Story for Kids | Superhero Stories | Twinkl USA.](#)

Can your child think of their own superpower and draw or write about it?

Thank you for your support.

## How you can help at home

- Please continue to practise your child's sounds, keywords and numbers.
- Encourage your child to read in the world around them, can they read the road sign to you? Can they read the food label?
- Please encourage your child to get themselves dressed in the morning. How quickly can they do it? Can they beat their time?

# Family Fun Page 16

Here are some games and challenges for you and your child to do together - have fun!

## Game/song of the week

Play 'I Spy' together outside, choosing things you can currently see on the land, or in the sky. You might also include things you can see on the water, if you are near a pond or a puddle!

## Online search of the week

Find and watch a video about a ferry journey together. Have you ever been on a ferry or a boat?

## Activity of the week

Ask your child to help you carry something: it could be the shopping, or a suitcase you've packed for a pretend holiday... Can they carry it in one hand?

Try these at home
