

23 June 2026

Dear Parents

I am writing to update you regarding the current extreme weather conditions. Although we have endeavoured to remain open during the rising temperatures, the forecast for Wednesday and Thursday places us on the edge of a red weather warning.

To safeguard the health and wellbeing of both pupils and staff, we have reluctantly made the decision to close the school on **Wednesday 24 June** and **Thursday 25 June**. This decision has not been taken lightly, but the safety of the children must remain our highest priority.

Current forecasts indicate that temperatures will drop by Friday, and we therefore expect to reopen as normal. Should this change, we will communicate with you as early as possible.

We appreciate that this closure may cause inconvenience for some families, and we thank you for your understanding and support during these exceptional circumstances.
