

Year R Learning Journey

Week beginning: 13th July 2026

This week's learning

In Literacy, we will be enjoying lots of phonics activities, focusing on the sounds and skills highlighted in our recent assessments. In maths, we will complete our subtraction unit. In continuous provision we will be focusing on the theme of summer!

Summer Vocabulary

Transition Challenge

In Year one, children will enter the building to start their day by themselves. Adults are asked to not accompany them into the school building. To help with this transition, we would ask that for the remaining days of Year R you say your goodbyes by the wooden gate to our outside area and allow children to walk to the classroom door by themselves. Thank you for your support.

End of term

Remember that the last day of school will be Wednesday 22nd July. We will finish school at the normal time of 3.20pm.

If you find any books or toys that belong to school please return these as we have now collected all of the reading books ready for next year.

Thank you.

How you can help at home to prepare for Year 1

- ✓ Keep practising sounds and tricky words whenever possible.
- ✓ Keep practising reading every day, this could be books, road signs, shopping lists. Encourage them to sound out and blend words as often as possible to develop fluency.

PE Reminder

This week PE kits should be worn on **Monday 13th and Thursday 16th.**
