Dear Parents

As you may be aware, there are ongoing building works at Southampton Sports Centre which impacted the Southampton Schools Cross Country League last year.

This week, the School Games organisers conducted a site visit of the Sports Centre and have said: 'it is unfortunately **not feasible at this stage to run the Primary School Cross Country League** as planned.'

Therefore, there will be no Cross Country League this Autumn Term.

They will keep us updated as to whether it is possible to run the LKS2 and UKS2 championships in March.

If you are looking at getting your child into running check out your local Junior Parkrun which take place at Riverside Park or Southampton Common. Alternatively, Southampton Athletics Club run a range of junior competitive teams.

Kind regards

Miss Upfold
