Headteacher - Tony Head

Dear 5I Parents

Year 5 have been given the wonderful opportunity to participate in some science workshop sessions at Cantell Secondary School. The first of which will take place on:

11 November

The sessions are in the afternoon, and we will be aiming to leave school at 12:30pm and we will return to school for the children's normal end of day pick up.

Please sign the permission slip below and indicate below if you are available to help walk us to and from Cantell. We will require at least 2 parents per trip for the trip to go ahead. It would be a fantastic opportunity for you to see our local secondary school in action.

Many thanks for your continued support.

Emily Iszatt
Year 5 Teacher

Year 5 Cantell visit

I give permission for Class 5I, to walk to Cantell School as part of the Year 5 science curriculum.
