

Year R Learning Journey

Week beginning: 19th October 2026

This week our topic is Rosie's Walk

In literacy we will be reading the story 'Rosie's Walk'. We will be sequencing the story and having a go at doing some writing from the story. Please watch the video to help your child become familiar with the story: Rosie's Walk | By Pat Hutchins . In maths we will be using positional language to be able to describe where something is.

For your information

If you have any recycling at home, we would love it if you could bring it in for the children's art work. This could be things like cardboard boxes or wrapping paper tubes.

Please remember your child's reading book needs to be brought in every day.

Thank you!

Sounds of the week

We will be recapping the sounds we have learnt so far.

Please remember to try to read at least 3 times a week with your child, and to fill in their reading record so we know how they are getting on.

Home Challenge

This week's home challenge is to have a go at practising our tricky words

is

the

I

Your child should be able to recognise these words on sight and have a go at writing them too.

How you can help at home

- ✓ Practise counting to 20 with your child. Can they recognise the numbers 1-20.
- ✓ Look out for numbers in the world around you, can your child spot the numbers on a bus or a road sign?
- ✓ Keep encouraging your child to practise their name, this could be 5 minutes a day. Make sure they have a capital letter at the start and the rest of their name is in lower case.

Thank you!

We will be orally blending words. *Can you hear the phonemes in these words? Can you listen and then repeat the word?*

d - o - g	c - a - t	n - o - d
k - i - d	t - o - p	d - i - g
