Headteacher - Tony Head

9 November 2026

Dear Parents/Carers

We would like to let you know about planned roadworks that may affect travel to and from school. We appreciate this may cause some inconvenience and wanted to give families as much notice as possible.

Somerset Road will be closed for resurfacing and pothole repair on Wednesday 18 November between 8:00 am and 4:00pm.

This means that the road will be inaccessible to vehicles on that date.

If you usually use Somerset Road, please allow a little extra time for your journey and plan an alternative route and parking location.

Thank you for your support and understanding. We appreciate your support in helping the start and end of the school day run as smoothly as possible.

Yours sincerely

J. Leonard
