# How can you help your child at home?

Below are some suggested activities you may like to try with your child.

## How to be a mathematician

Can you hide and direct your child to their teddy using positional language for example left, right, top, middle, bottom, on top of, in front over, above, between, around, near, close, far, up, down, forwards and backwards.

## How to be a scientist

Discuss with your child how the seasons are changing? How can we tell it is Autumn?

### Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily and practise phonics.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
