and using Excel

Year 6

How can you help your child at home?

Below are some suggested activities you may like to try with your child.

How to be a scientist.

Who was Charles Darwin?
Why is he an important figure?

How to be a geographer.

How many states are there in America?
Can you name any American cities?

Ways to support your child:

Make sure you attend school daily and punctually.

Read together daily.

Practise times tables and spellings.

Support your child to complete their weekly homework.

Talk to your child about what they have been learning about in school.
