Dear Parents

Re: Second Life Uniform

We have a collection of 'pre-loved' school uniform that has been donated to the school and we would like to give it to those who can make use of it.

This uniform will be laid out on tables at the infant playground on Thursday 21 September 2023 between 3:00pm and 4:00pm.

If you can make use of it, then we would encourage you to help yourself to what is there. There will be no charge for these items.

If you have pre-worn uniform at home, that is in good condition, but you have no further use for, then we would welcome donations being made to the school. We do ask that any uniform that you donate is washed and clean.

Yours sincerely

J. Leonard
