

Year R Learning Journey

Week beginning: 2nd October 2023

This week our topic is Elmer.

The children will be learning the story of Elmer the Elephant. They will be doing activities based around the story including thinking about why they are special, creating their own special elephant and writing a speech bubble to show what Elmer said in the story.

In maths we will be focussing on the numbers 1, 2, 3. We will be learning to write them, count them and different ways to make them.

Home Challenge

Have a go at making Elmer the elephant. You could use anything you have at home for example: lego, drawing, junk modelling, cutting and sticking.

Can you make a repeated pattern using the colours? We would love to see your work or a photograph of what you make!

Thank you for your support.

Please remember

Parent Phonic Meeting:

Tuesday 3rd October at 2:45.

This is an opportunity to find out about phonics and how to support your child at home.

Please ensure all items of clothing, bags and water bottles are named.

Thank you!

How you can help at home

- ✓ Try and read three times a week with your child, we would love it if you could record in their reading record when you have read with them.

Thank you!
