

Nursery Learning Journey

Week beginning: 6th November 2023

This week our topic is Fireworks and Bonfire Night

We will be learning about bonfire night and colours. The children will be learning how to use tools such as glue spreaders to create a firework picture.

They will also be learning a firework dance. They will be doing activities based around fireworks such as making rockets, number apple bobbing and role-play of buying food on bonfire night.

For your information

We will be starting phonics this week, with those children who are ready. We will be following the Little Wandle Foundations programme. Each day we will be looking at a nursery rhyme, playing a tuning into sounds game and continue to read every day. If you would like to look at this yourself please click on the following link [For parents | Letters and Sounds \(littlewandlelettersandsounds.org.uk\)](https://www.littlewandlelettersandsounds.org.uk) and look at the Nursery rhymes.

Here is the sign of the week. Fireworks.

Home Challenge

It would be lovely if you could work with your child to create a firework picture or model. You could see how you can recycle the household recycling in your house to create different fireworks.

Thank you for your support.

How you can help at home

The rules that we will be sharing through role-play:

- Stand well back from bonfire
http://www.youtube.com/watch?v=7nvIuHeu0_c
- Don't go back to lit fireworks
http://www.youtube.com/watch?v=IJvT_dymYFA
- Wear gloves when using sparklers
