

Nursery Newsletter

Week beginning: 27th November 2023

Story of the week

Monster food by Daisy.

[Signed Lunchtime Story -
Monster Food - CBeebies -
BBC](#)

Nursery rhyme of the week

The wheels on the bus

Number of the week

3

we will be learning to read, recognise and count 1 through a variety of different activities.

What are we learning?

This week we will be tracing the number 3, making the number with natural objects. We will also be looking at 2D shapes, such as square, circle, triangle and rectangle.

Please can we ask that if your child has grapes as part of their lunchbox that you make sure that they are cut and not whole, as they can be a choking hazard.

To improve your child's gross motor skills get them to help you wash your car or bike.

To improve your child's fine motor skills use different medias to draw different sized and shaped circles, using a clockwise motion.

Thank you for your support.

Please remember that if your child was born between 1 September 2019 and 31 August 2020 they are able to start school in the school year beginning September 2024. Please follow this link [Apply for a primary school place - GOV.UK \(www.gov.uk\)](#). Please be aware the closing date is January 15th 2024.

Thank you

How you can help at home

Watch The wheels on the bus

[For parents | Letters and Sounds
\(littlewandlelettersandsounds.org.uk\)](#)

- ✓ Please keep practising all of the nursery rhymes from previous weeks.
