

Year R Learning Journey

Week beginning: 11th December 2023

This week our topic is Celebrations

We will be learning all about different celebrations, including Christmas. We will be talking about different ways that people celebrate Christmas. We will be making party hats, bunting, Christmas trees and Christmas cards.

Sounds of the week:

Recap all of the sounds we have learnt so far.

Home Challenge

We would love for you to help your child make a decoration for our classrooms. They can be any shape, size or colour and with as much sparkle as you like.

Thank you for your support.

For your information

We would like to say thank you for all your help with our Nativity. We wouldn't have been able to do it without you, getting costumes together, and helping your children to learn their lines and songs. A special thank you to the parents who helped to create the backdrop!

Reception Nativity performance will be on Wednesday this week at 9.30 and 2.30. Please make sure you bring your tickets with you.

How you can help at home

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Can your child name any 2D shapes? Challenge: Can they describe what the shape looks like?
- ✓ Keep practising numbers with your child, can they read and write numbers up to 20.
