## Nursery rhyme of the week

Miss Molly had a dolly

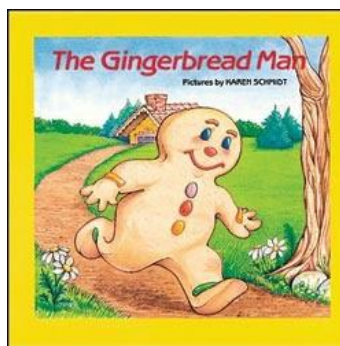

## Number of the week

6

we will be  
learning to read, recognise  
and count 6 through a  
variety of different activities.

## What are we learning?

This week we will be looking at the story, 'The Gingerbread Man.' The children will be joining in with and re-telling the story, and designing their own Gingerbread Man. They will be doing activities based around the story such as making Gingerbread Man biscuits, making Gingerbread Houses and small world play with animals and puppets.

Please remember that if your child stays for lunch that you need to pre-order online beforehand. Thank you to those parents who are already doing this.

## How to help at home

**To help improve gross motor skills** Practise running quickly from one point to another, like the doctor, timing how long it takes by counting or using timers.

Or

Make a hospital 'den' for Molly's dolly using large construction materials and loose parts.

**To help improve gross motor skills** Use tweezers to put pills (seeds/dried peas) into pots.

Or

Practice writing their name using the name card that we sent home before Christmas. (If your child is starting school in September!)
