Dear Parents

After the half term break some repair work on the roof of the junior building is being undertaken. It is scheduled to take between 3-6 weeks and will start on **Monday 19 February 2024**.

This work particularly impacts how children from Year 1,2 and 3 will be able to get into school in the mornings. The **gates by the school dining hall will be closed off**, due to scaffolding.

We will therefore be opening up the **side gate that opens up onto the path of the Rec**. Please see the picture below. This gate will be opened at the usual time of 8.45am. Children from Year 1, 2, and 3 will then be able to get to their classes as usual.

Year R will continue to use the main gate near the school office and Year 4,5 and 6 will continue to use the gate on the top playground.

At the end of the day this side gate will be opened at 3.15pm.

I would like to apologise in advance for any inconvenience that this may cause.

Thank you for your continued support.

Yours sincerely

Tony Head
