Nursery rhyme of the week

Mary Mary quite contrary [Mary, Mary, Quite Contrary | Letters and Sounds](#)
[\(littlewandlelettersandsounds.org.uk\)](#)

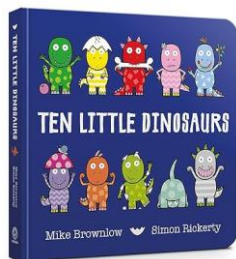

Number of the week

2

we will be learning to read, recognise and count 2 through a variety of different activities.

What are we learning?

Our topic this week is Dinosaurs. The children will be learning about the different dinosaurs, learning their names, printing dinosaur footprints, dinosaur dancing, counting and making paper plate dinosaurs.

Please remember

Your child will need suitable clothing and footwear for this time of year. The weather is very changeable and we don't have a lot of spare clothes to change your children into. Many thanks

How to help at home

To help improve gross motor skills

Draw large flowers and plants on the ground and walls outside with chalks.

Or

Use watering cans or other large containers to 'water' the chalk plants and wash them away.

To help improve fine motor skills

Display a vase of flowers and get the children to paint them with watercolours/draw them.

Make salt dough insects that would be found in the garden.

Or

Plant sunflower seeds. Water them and watch them grow

To help improve number recognition

Find the number 2 on your walk home, or when you go to the shops. Where can you find it? On number plates, on houses, on price tickets, etc

Or

Watch [BBC iPlayer - Numberblocks - Series 1: Two](#)

Mary, Mary, Quite Contrary

Mary, Mary, quite contrary,
How does your garden grow?
With silver bells and cockle shells
And pretty maids all in a row.
