Nursery rhyme of the week

The Grand old duke of york [The Grand Old Duke of York | Letters and Sounds](#)
[\(littlewandlelettersandsounds.org.uk\)](#)

3

Number of the week

we will be learning to read,
recognise and count 3 through a
variety of different activities.

What are we learning?

This week we will be looking at on
Doctors and Nurses. They will be
making a height chart and creating
x-ray type pictures. During
'Discovery time' children will be
playing in the hospital role play
area; bandaging their teddies and
friends as well as making everyone
feel better again.

Please remember

To bring back your child's
reading book **every Wednesday**.
Unfortunately, your child's book
will not be changed if not
brought back on time as
unfortunately there is not the
time.

How to help at home

To help improve gross motor skills

In the garden march like a soldier standing tall and straight and swinging arms. •

Or

Investigate making a marching rhythm on drums and cymbals.

To help improve fine motor skills

Make a bearskin hat from a template adding a furry texture. Wear it outside when marching like soldiers.

Or

Colour in a flag, cut it out and add a stick.

To help improve number recognition

Find the number 2 on your walk home, or when you go to the shops. Where can you find it? On number plates, on houses, on price tickets, etc

Or

Watch [BBC iPlayer - Numberblocks - Series 1: Three](#)

The Grand Old Duke of York

Oh, the grand old Duke of York,
He had ten thousand men,
He marched them up to the top of the hill,
And he marched them down again.

And when they were up, they were up,
And when they were down, they were down,
And when they were only halfway up
They were neither up nor down.
