14 March 2024

Headteacher - Tony Head

Dear Parents,

In year 1 we are holding an Easter competition for the children. This competition involves decorating the outside of a hard-boiled egg. In previous years, we have had some fantastic and creative designs and cannot wait to see what the children create this year.

The deadline for the competition is **Monday 25 March 2024** as this will allow all entries to be judged in the final week of school before the Easter holidays. There will be a prize for the winning egg and all entries will receive house points.

We look forward to seeing the children's great designs.

Yours sincerely,

Miss Kinally and Miss Storey
