

Nursery Newsletter

Week beginning: 18th March 2024

Story of the week

Lulu loves the library by Anna McQuinn
[LULU LOVES THE LIBRARY | KIDS READ ALOUD | KidStoryTime With Iffy \(youtube.com\)](#)

Nursery rhyme of the week

Humpty Dumpty [Humpty Dumpty | Letters and Sounds \(littlewandlelettersandsounds.org.uk\)](#)

Number of the week

4

we will be learning to read, recognise and count 4 through a variety of different activities.

What are we learning?

This week we will be looking at Builders. During Discovery Time children will be playing in the builder's yard role play area; brick painting and learning a song about building a house. The children will also be looking at numbers using bricks and tools, as well as building their own houses.

Please remember

It is really important that you practise the skills that we are learning in Nursery at home. This will help these skills to be embedded and ensure that they are on track with their learning. If you need any support with this please speak to your child's key worker. Thank you

How to help at home

To help improve gross motor skills

Use large outdoor construction materials to create a wall and role-play Humpty Dumpty falling off the wall.
Or

March like soldiers, standing nice and tall, arms swinging and feet marching.

To help improve fine motor skills

Make a Humpty Dumpty using a boiled egg and decorative resources.
Or

Cut out an egg template for Humpty and put it back together using plasters

To help improve number recognition

Find the number 4 on your walk home, or when you go to the shops. Where can you find it? On number plates, on houses, on price tickets, etc

Or

Watch [BBC iPlayer - Numberblocks - Series 1: Four](#)

Humpty Dumpty

Humpty Dumpty sat on a wall,
Humpty Dumpty had a great fall,
All the king's horses and all the king's men,
Couldn't put Humpty together again.
