Number of the week

5

we will be learning to read, recognise and count 4 through a variety of different activities.

What are we learning?

This week we will be looking at the Christian celebration of 'Easter'. The children will be looking at the Easter story, as well as using their maths skills to match eggs and numbers and chicks to nests.

Children will be making Easter cards, designing their own eggs, and going on an egg hunt.

Please remember

Nursery will be closed on the 29th March and will not be open again until Tuesday 16th April. We hope you have a fantastic holiday with your family.

How to help at home

To help improve gross motor skills

Collect sticks in the local park and lay them straight

Or

Draw doors in chalk or water on the floor. Add the house number and a door handle.

To help improve fine motor skills

Practise threading and tying shoelaces.

Or

Cut up art straws into different lengths and sort them by length.

To help improve number recognition

Find the number 5 on your walk home, or when you go to the shops. Where can you find it? On number plates, on houses, on price tickets, etc
