Dear Parents,

I hope that both you and your families remain fit and well during this time.

As you are all undoubtedly aware, Boris Johnson made a public announcement yesterday evening outlining the government's plan for beginning the process of emerging from lockdown. Like everyone else, we too only heard of these plans last night. Today we are awaiting the publishing of the guidance that was mentioned in the broadcast last night. Once we have that we hope we will be able to establish exactly what the government wish us to do and what that means for our school.

As a school we appreciate that the information given last night will have raised as many questions for yourselves as it has for us. I am only sorry that I am not yet in a position to outline a detailed plan of what the 'phased return' of Year R, Year 1 and Year 6 will look like. We will of course provide further information as soon as we are able, so that you in turn can prepare your children for a return to school.

Meanwhile, work continues to be created for those who have chosen to access the weekly online learning resources. New videos are also available on the school website in the homework section of the 'Children's Area'.

We are aware that some children have wished their teachers to see the work they have created and have in fact emailed it into the school. To make this process easier we have created dedicated email addresses for each class that can now be accessed by your child's class teacher.

If your child wishes to send in their work, teachers will endeavor to respond within the week.

Please ensure that within the subject box the name of your child is included as this will help when teachers come to respond.

The email addresses are as follows:

Nursery@portswoodpri.org.uk	J. Orson
Penguins@portswoodpri.org.uk	B. Broomfield / H. Wills
Kangaroos@portswoodpri.org.uk	E. Taylor / H. Upfold
Bears@portswoodpri.org.uk	E. Kinally
Tigers@portswoodpri.org.uk	W. Miles / L. Dyde
