

21 May 2020

Dear Parents,

I hope you and your families are still fit and well.

Letters were sent out to Nursey, Reception, Year 1, Year 6, and keyworker/ vulnerable families that have used us during 'lockdown'. These letters detailed the plan for the 'phased' reopening of our school on 1 June 2020 if the Government do decide to go ahead. Please remember that this announcement will be made on 28 May 2020.

At the bottom of the letter was a QR code or web link to an online form which we have asked parents of these groups to fill out. This will help us know how many children we will have potentially return on 1 June 2020. The QR code and weblink are also attached to the bottom of this form. Can we please have these submitted **by Monday 25 May 2020 (12 noon)**. This will then give us time to make any potential final adjustments over the half term.

We are aware that some parents are not receiving the letters we are sending out, as they either do not have 'ParentMail' or they are getting lost in spam/junk mail folders. If you are part of a WhatsApp or similar social media group, for the year groups that are potentially returning, could I please ask you to let families know that the letters detailing the phased reopening can be found in the letters section of the school website. Similarly, if you think you should have received a letter and did not, then please read the relevant version of the information sent out and fill in the on-line form.

Thank you once again for you continued support during these challenging times. We are looking forward to when all our children are with us back in school.

Kind regards

Tony Head  
(Principal)
