

8 July 2020

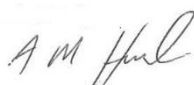

Dear Parents,

I hope this letter finds you and your family safe and well.

The government guidance concerning the full re-opening of schools in September was published last Thursday. We are currently working to create new systems and procedures that will allow us to open to all pupils in September for the start of the new academic year.

As soon as these plans are finalised, we will of course share them with you, hopefully before the end of next week.

Yours sincerely

Tony Head
Principal

New Class list

Please find below your child's new class for September 2020.

Usually we would hold a transition morning, where your child would get the opportunity to spend some with their new teacher. Unfortunately, due to the pandemic this has not been possible, however a welcome video has been created by each teacher that you and your child can view. Simply click on the link for the correct class in the table below.

In addition to this when all children return to school on **Friday 4 September 2020** the day will be devoted to the children and their new teacher getting to know one another. This day will give everyone the opportunity to begin the process of transitioning back to school life after what has been, for some, a very long imposed absence.
