

10 September 2020

Dear Parents,

Your child has started their Year 1 journey and their topic for the first two weeks is about superheroes. This week they have already participated in many superhero activities and we would like to develop their learning further by having a superhero day.

We would very much like the children to come to school dressed as superheroes on **Wednesday 16 September 2020**. You do not need to buy a special outfit, children could wear a coloured t-shirt, shorts and some material tied around their shoulders as a cape. During the day the children will be taking part in different superhero activities.

If you have any questions please contact the office who will then pass on your message to your child's teacher.

Yours sincerely,
