

Year R Learning Journey

Week beginning: 21st September 2020

This week our topic is Marvellous Me

The children will be learning all about themselves and their family. In maths we are learning how to count using practical objects such as the number of people. In literacy we are learning how to write our name and even some of our family member names. We are really excited to be starting to learn our sounds in phonics. In discovery time, children will be able to self-select their own resources.

For your information

Please could you make sure that from Monday 21st September your child brings a bookbag into school every day. This will help us send letters and books home, it needs to be in school every day.

Each child will be provided with a reading book and reading record next week. Please encourage your child to read to you at home. Your child's teacher will be changing their book on Monday's to ensure it is appropriate. Please write a comment in your child's reading record when you have read with them. Please ensure the book and reading record stays in their book bag and is brought in every day.

Sounds of the week:

s a

A reminder:

This week we will be starting P.E so please ensure your child wears their trainers on Thursdays.

Home Challenge

This week in literacy we will be learning how to write, with ascribing meaning to marks. This week's home challenge is to draw a family portrait. Can your child write their name? Can your child write any family member names? Peg this onto your class home learning board.

How you can help at home

- ✓ Practise getting changed independently into their school uniform. How quickly can your child take their shoes on and off?
- ✓ Talk to your child about the new phonic sounds they have been learning at school. Can they think of any words beginning with that sound? e.g apple, pirate, pig, tower.
- ✓ Please ensure every item your child brings into school is named.

Thank you for your support.
