

Nursery Learning Journey

Week beginning: 12 October 2020

This week our topic continues to be Nursery Rhymes

The children will be learning two more nursery rhymes; Hickory Dickory Dock and 1,2,3,4,5 Once I caught a fish alive. They will be doing activities based around the nursery rhymes such as, sequencing the nursery rhymes, tracing numbers and making clocks. During our adult led 'Rainbow Time' throughout the week your child will learn the nursery rhymes, fish for numbers and learn positional language.

Home Challenge

This week's home challenge is for you to draw a picture or make an object from the nursery rhyme Hickory Dickory Dock or 1,2,3,4,5 Once I caught a fish alive.

We would love to put it in your child's Learning Journey.

Thank you for your support.

For your information

- Please remember to bring a spare change of clothes in a named plastic bag for your child.
You no longer need to provide snack for your child, we are providing healthy fruit and vegetables every day for them.

If you go on a walk or a trip to the New Forest, park or just spend time in your garden, please can you encourage the children to look for signs of Autumn and collect any interesting leaves, conkers or fir cones. If they bring them into Nursery, then we can use them for art activities and for starting interesting conversations.

How you can help at home

- ✓ Watch Hickory Dickory Dock Nursery Rhyme
<https://www.youtube.com/watch?v=FHFOO4s3DTk>
- ✓ Watch 1,2,3,4,5 Once I caught a fish alive
https://www.youtube.com/watch?v=9ir_17qTiZ4
- ✓ Does your child know any other nursery rhymes? Listen to and join in with different nursery rhymes.
