

Year R Learning Journey

Week beginning: 19th October 2020

This week our topic is autumn

We will be learning about the different seasons and focusing on autumn. The children will go on an autumn walk around school to see what they can find that shows them that we are in autumn.

We will be also learning to form our numbers correctly. We will be using the sounds we have been learning to write words in literacy this week.

We will be doing lots of creative sessions focusing on autumn colours.

Please remember

We will be changing your child's book at school once a week. This is so we can ensure each child has a book at the appropriate level.

Please write in your child's reading record when you have read with them.

Please send your child into school with a coat.

Thank you!

Sounds of the week:

Key words of the week:

no go

Home Challenge

The National Trust produced a list of 50 things that your child should do before they are eleven and three quarters. One activity was to play conkers, so your home challenge this week is to find some conkers and learn how to play the game.

We would love to see some photos of you in action!

Thank you for your support.

How you can help at home

- ✓ Keep testing children daily with their sounds. Can they write the sounds?
- ✓ Go on a sound hunt around the house - what objects can you find that start with the sounds learnt?
- ✓ Continue looking for numbers. Can you find them on doors, shops, around the home, on the way to school?
- ✓ Go on an autumn walk and see what you can find that show you that we are in the season of autumn. Bring in some leaves for our Autumn Cave!
