

# Nursery Learning Journey

Week beginning: 3<sup>rd</sup> November 2020

## **This week our topic is Fireworks and Colours**

We will be learning about bonfire night and colours. During our adult led 'Rainbow Time' the children will be learning how to use tools such as glue spreaders to create a firework picture. They will also be learning a firework dance. They will be doing activities based around fireworks such as making rockets, number apple bobbing and role-play of buying food on bonfire night.

## **For your information**

If you have borrowed any of our nursery clothing, please can you return them as our stock is running low, especially pants and socks.

If your child is still wearing nappies, can you make sure that they always have spare pull ups, wipes and nappy bags with them. Thank you.

Here is the sign of the week. Fireworks.

## **Home Challenge**

It would be lovely if you could work with your child to create a firework picture or model. You could see how you can recycle the household recycling in your house to create different fireworks.

Thank you for your support.

## **How you can help at home**

The rules that we will be sharing through role-play:

- Stand well back from bonfire
