

# Nursery Learning Journey

Week beginning: 9<sup>th</sup> November 2020

## **This week our topic is Autumn and Colour**

This week we will be learning about Autumn and linking this to the lovely colours that can be found in nature at this time of year.

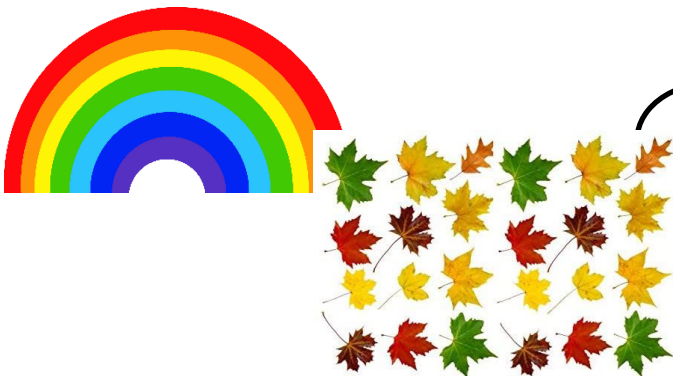

The children will be going on an autumn colour hunt, colour mixing, painting with spaghetti and learning 'I can sing a rainbow' song. They will be exploring the texture of different coloured jelly, creating colour patterns and creating cut and stick colour pictures.

## **For your information**

We are starting to have free milk delivered for the children. If you would like your child to have milk and haven't yet completed the online form then go to <https://www.coolmilk.com/register> and register. Once you have done this, it takes about 2 weeks for it to be processed and your child's name to be added. Only children whose name is on the list will be allowed to have milk.

## **Please remember:**

To bring a waterproof coat with a hood, scarves and gloves. Your children spend a lot of time outside and the weather is scheduled to get colder over the coming weeks.

## **Home Challenge**

This week's home challenge is to create a picture of your child's choice. This can be done using colouring pencils, crayons, chalk or paint. Talk to your child about the colours that they have chosen for their picture. We would love to see the pictures!

## **How you can help at home**

- ✓ Learn the I can sing a rainbow song:  
<https://www.youtube.com/watch?v=nRTdqOVsLGQ>
- ✓ Talk to your child about the colours of objects that they notice around the home. Can they go on a colour hunt?
