

Year R Learning Journey

Week beginning 9th November 2020

This week our topic is Goldilocks and the Three Bears

We will be learning all about the story of Goldilocks, in Maths we will be learning about size. We will be talking about and ordering the bowls, beds and chairs in Goldilocks. We will be moving on to measuring using cubes and starting to look at rulers. In Literacy we will be acting out the story of Goldilocks using masks and puppets.

For your information

In your child's bookbag will be some flashcards to help with number, sound and keyword recognition at home. Please feel free to cut these up and use them to practise with your child.

If you have any recycling at home, we would love it if you could bring it in for the children's artwork. This could be things like cardboard boxes or wrapping paper tubes.

Thank you!

Home Challenge

For this week's home challenge, we would like you to write a letter from Goldilocks to say sorry for eating the porridge, breaking the chair and sleeping in baby bear's bed.

Thank you for your support.

How you can help at home

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Go on a sound hunt around the house - what objects can you find that start with the sounds learnt?
- ✓ Encourage your child to put their socks and shoes on themselves.
- ✓ Encourage your child to retell the story of Goldilocks to you and the family.
