## Kitchen Update

Dear Parents,

I hope that this letter finds you and your families fit and well. I am writing to keep you up to date with regard to the kitchen and the school's ability to provide hot dinners.

I appreciate that this first term has not been ideal for either parents, children, staff or the catering team with regard to hot dinners, however I can now inform you that we have had confirmation that the order for new equipment should arrive at the school with 4-6 weeks. This new equipment is manufactured in Germany and so we are hopeful that, as it is not travelling from too far away, it will arrive in a timely fashion. Obviously, if there are any delays, I will inform you as soon I know.

Once again, I would like to thank you for your support and patience.

Kind regards

Tony Head  
(Principal)
