Dear Parents,

Wanted – Shoe boxes and help!

Towards the end of this half term, we will be carrying out our final Design and Technology project where we will be exploring vehicles. As part of this project, the children will be designing and then making their own ambulances linked to our history topic, Florence Nightingale.

Each child will need a shoebox to make their ambulance, so it would be extremely helpful if they could bring in any shoeboxes that you have at home. It is important that every child has one so that they can complete this project, so any extras would be gratefully received.

If you can offer any shoeboxes, please send these in to school before **Friday 11th December 2020**.

Thank you for your help.

Yours sincerely,

Miss Bryant and Mr Ellis
Year 2 Teachers
