## Kitchen update

Dear Parents

I am writing to inform you that the much-anticipated new kitchen equipment has arrived and been installed. Therefore, we are now able to finally return to providing hot dinners at lunch time.

These will commence on **Monday 14 December 2020**. The menu below outlines what will be on offer to the children over that week.

For those in Reception, Year 1 and Year 2 the children are entitled to a free school meal if they wish it. For all other year groups, the cost of a hot dinner is £2.40, unless they are in receipt of benefit related free school meals.

Payments for dinners can be made using the online system scopay.com.

Children will have the ability to choose between the following:

A hot vegetarian option

Or

A hot meat option

Or

A jacket potato with a choice of cheese, beans or both.

All hot dinners need to be ordered during class registration. Therefore, if your child is late, a dinner will not be ordered for them. You will then receive a phone call asking you to bring in a packed lunch for your child.

If your child has a medical appointment in the morning, and you wish them to have a hot dinner, please ring the office before 9.00am to let us know.

Somerset Road, Southampton, SO17 3AA
