

# Nursery Learning Journey

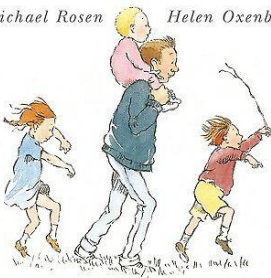

Week beginning: 30th November 2020

## **This week our topic is Going on a bear hunt**

This week we will be learning about 'Going on a bear hunt'. We will be focussing on the children being able to join in and retell the story. We will be using the environmental area to go looking for the bear so please make sure that your child has suitable footwear

*We're Going on a Bear Hunt*

Michael Rosen Helen Oxenbury

### **Please remember**

We are starting to see children bringing in their own toys from home, unfortunately due to Covid we cannot have them in the setting. We understand that some children need a little comfort and if absolutely necessary they can be kept in their bags. We cannot take any responsibility for broken or lost toys.

Follow this link to watch a signed version of the story [\(3\) We're going on a bear hunt by Michael Rosen read and makaton signed by sign with Chelsea - YouTube](#)

### **Home Challenge**

This week's home challenge is to go on a bear hunt together. This can be a hunt inside your house or as part of your daily exercise time outside. You could video your walk, make a map of where you go or even draw a picture of something you saw. Please bring in anything that you make or take photos. We would love to see the children's ideas or photos.  
Thank you for your support.

### **Please remember:**

Your child will need suitable clothing and footwear for this time of year.

### **How you can help at home**

- ✓ Get involved - join in with making something at home
- ✓ Read stories to your child before they go to sleep.
