

Year R Learning Journey

Week beginning: 4 January 2021

The first week back our topic is Dinosaurs

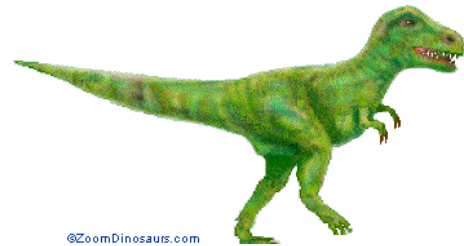

We will be learning all about dinosaurs. In literacy we will be writing instructions about how to look after a dinosaur egg. In Phonics we will be recapping our sounds from the autumn term that we need a little bit more practise with.

In Maths we will be learning how to add two groups together.

For your information

The first day back after the holiday is Monday 4 January 2021.

Please can you save and bring in any wrapping paper cardboard tubes so we can use them for dinosaur bones!

Sounds of the week:

recap

Words of the week:

all are my

Home Challenge

We would like to wish you a very Happy Christmas to all who celebrate it. We would love to know what you have been doing on your holiday. You could draw a picture or write about what you did and who you saw.

Thank you for your support.

How you can help at home

- ✓ Keep practising with your child daily their sounds and key words. Can they write these?
- ✓ Can your child add together two groups of objects to find the total? An example could be adding the shopping objects such as 3 bananas add 2 bananas equal 5 bananas.
- ✓ Learn more about dinosaurs.
