Dear Parents,

Digital devices.

The last week has been a busy one getting digital devices into the hands of families that have requested them.

We believe that all families that have requested a device for their child to use during lockdown for home learning now has one.

We have a small number of devices that we can still allocate should we need to.

If you need a device for your family then please complete the form below.

<http://bit.ly/38kKW6>

Please be aware that the number of devices we have as a school are very limited, and that any we distribute will mean less devices for the pupils in school to have access to.

If we are able to help you with this matter, you will be contacted by the school.

Yours sincerely,

J. Leonard

J. Leonard (Vice Principal)
