22 January 2021

Dear Parents,

Virtual Celebration Assembly

The home learning celebration assembly for week ending Friday 22 January 2021 is available at the following link:

[22.01.2020 - Home Learning Celebration Assembly - YouTube](#)

Please try to find the time to watch this with your children at home. Assembly forms a part of every school week and we would encourage all of you, that can, to join us in celebrating home learning work.

The assembly includes sharing of work from home, house point updates and the awarding of Star of the Week from amongst those working at home.

Yours sincerely,

J. Leonard

Jeavon Leonard

(Vice Principal)
