

Year R Learning Journey

Week beginning: 1st February 2021

We are starting to learn about 'All around the World'. This week we will be learning about Italy.

The children will be exploring maps, globes, atlases and Google Earth. They will be also be watching short video clips of different places around the world and thinking about where they would like to visit. The children will be learning about the location of Italy and discovering some of the features and food Italy is famous for. This will include designing and making a pizza and a Venetian mask.

For Your Information

For those children in school, they will be making pizzas in literacy next week - please let us know if your child is not allowed to eat this.

Sounds of the week:

oo oa ar

Words of the week:

come were

Home Challenge

We are learning about all around the world and will be making a world map display. We would love to know the country your child or family is from. We would love to receive postcards from all around the world. If any of your family members or friends would like to send one to Year R it would really help us with our work!

Thank you for your support.

How you can help at home

We are collecting a number of things for our activities over the next weeks: kitchen roll, wrapping paper tubes for making didgeridoos, travel brochures, postcards, photos, artefacts from Italy or China. If you would be willing to donate or lend us any of these items please let us know. Many thanks for your continued support.
