26 February 2021

Dear parent,

We are looking forward to welcoming your child back into our Nursery, week commencing Monday 8 March 2021.

For a few of the children that have continued to attend the Nursery during lockdown, it was necessary to move your time slots in order to adhere to covid-19 measures. I would like to let you know, that as of Monday 8 March, when all children are to return to Nursery, you will need to revert to your original time slots.

To keep within government guidelines, please leave your child at the door with the teacher/teaching assistant. Please remember to wear your face mask.

If for any reason your child does not settle, a member of the office team will phone home.

Yours faithfully

Tony Head
Principal
