

3 March 2021

Dear parents

### Return of digital devices

If you have had a digital device loaned to you, for your child to use during the recent period of school closure, it will need to be returned to school when all children return from Monday 8 March 2021.

Please bring the device, and any other equipment such as chargers or carrying cases, when you come with your child to school. These can be handed to a member of staff who will return it to the school's admin team to ensure that all relevant return paperwork is completed.

We hope that having the devices at home has been useful and has allowed for greater ease in accessing online learning.

After a period of quarantine, these devices will be returned to use within the school.

If you have any questions, please do not hesitate to contact the school.

Yours sincerely

J. Leonard

Vice Principal
