

# Nursery Learning Journey

Week beginning: 15<sup>th</sup> March 2021

## This week our topic is 'Mad about minibeasts'.

This week we will be following on from our work on 'The Very Hungry Caterpillar' and looking at a selection of stories about different minibeasts. During Adult led Rainbow times, children will be sharing books, making their own spiders, playing games and going on a bug hunt.

I just wanted to say how lovely it is to have all of the children back in Nursery with us. They have all been so excited to come back, see their friends and play together. We will be using these few weeks to remind them of the routines and expectations of Nursery and begin to extend their learning.

Here

is a link to 'Singing hands' who sign lots of the different minibeasts for you to practise at home.

## Home Challenge

Please complete the Bug I - spy sheet that you will be given by your key worker. Help your child to count the bugs themselves and to write the numbers themselves. Use the rhymes to help the children know how to write the numbers.

## How you can help at home
