12 March 2021

Dear Parents,

As part of the catch-up funding support, we have allocated Mrs Dyde as an additional teacher in Year 4 on a Monday and Tuesday for maths. To best meet the needs of the children, we will be focussing on number and calculation each Monday and Tuesday.

This means that at the start of the week your child may be working with either Mr Brown, Mrs Iszatt or Mrs Dyde for maths. For the rest of the week, the children will return to their usual class teacher. This opportunity allows the teacher to focus on this essential area of maths at a level that is most appropriate to your child.

This will be starting next week, and we will review the outcomes regularly to monitor the impact of this work.

If you have any questions, do not hesitate to contact your child's class teacher.

Yours sincerely,

Year 4 Team
